St. Porphyrius, Archbishop of Gaza

A Directive
To All Rectors of the Eastern American Diocese

Dear in the Lord Reverend Fathers,

It has come to my attention that not all of our parishes possess fire and liability insurance. This is not an acceptable state of affairs: there are always risks and, especially in our modern litigious society, we must always have foresight and be prepared for any contingency.

I hereby direct all of the parishes of the Eastern American Diocese to purchase fire and liability insurance for their church buildings and any property they own without delay.

With love in Christ,

+ Hilarion
